👤 SUMMARY

- Motivated Computer Science Engineering student with a strong interest in full-stack web development and AI-powered applications. Passionate about building real-world projects and continuously learning new technologies. Seeking opportunities to apply my technical skills, gain hands-on experience, and grow as a software developer.

🎓 EDUCATION

JSS Science and Technology University (JSS STU), Mysuru 2024 – 2028 | Mysuru,Karnataka
Bachelor of Engineering (B.E.) in Computer Science and Engineering

CGPA : 8.99

🧠 SKILLS

- | | | | |
|---------------------|-------------------------|----------------|--------------------------------|
| • C | • C++ | • Python | • HTML |
| • CSS | • JavaScript | • Git & GitHub | • Data Structures & Algorithms |
| • Operating Systems | • Computer Organization | | |

📁 PROJECTS

• Smart Agriculture Platform 🌱 , Full-Stack Web Development | AI-Powered Agriculture Solution

- Developed a smart agriculture platform to help farmers make informed decisions using modern web technologies.
- Implemented weather forecasting, crop disease detection, market price tracking, farm investment management, and an AI-powered chatbot.
- Designed a responsive and user-friendly interface with real-time data integration.
- Technologies: HTML5, CSS3, JavaScript, Python, Flask, TensorFlow, OpenWeatherMap API, Git, GitHub.

• Wildlife Poaching Detection System 🌿 , AI-Powered Forest Surveillance & Poaching Detection

- Developed an AI-powered wildlife monitoring system to detect potential poaching activities using computer vision.
- Implemented real-time object detection for humans, weapons, chainsaws, vehicles, and wildlife to identify suspicious activities.
- Designed a responsive web dashboard for live monitoring, alerts, and surveillance management.
- Technologies: Python, OpenCV, YOLOv8, Flask, HTML5, CSS3, JavaScript, Git, GitHub.

💡 ACTIVITIES

- Actively participated in hackathons, collaborating with teams to develop innovative software solutions.
- Currently pursuing NPTEL courses to strengthen core computer science knowledge and technical skills.
